- 2025 Leadership Nominations (See attached)
- The Leadership team recommends the following motion to the Executive Committee:

After the CKNB Executive Director met with the Pastoral Leadership of Georgetown Baptist to discuss whether Georgetown Baptist is in friendly cooperation with the CKNB and the unwillingness Georgetown Baptist's Pastoral leadership to further meet with additional representatives of the CKNB in regards to this matter, the Leadership team recommends that:

Georgetown Baptist be removed from cooperation due to their affirmation of LGBTQ+ membership in their local body of believers and their indication to the Executive Director that they are unwilling to change their beliefs or practices on this matter. This stance is not only in direct contradiction to scripture but also violates Article IV, Section 2 (Marriage and Sexuality) of the CKNB Constitution and By-laws. Therefore, since Georgetown Baptist no longer affirms the doctrinal practices of this network in accordance with Article V, Section 2 (Dismissal from Affiliation), the Leadership team regrettably makes this motion to the churches of the Network to remove Georgetown Baptist from its membership.
